

You Can Make It 'Learn to Sew'

PROGRAM

The **You Can Make It 'Learn to Sew'** program will progressively build sewing skills. With each Level building on the knowledge from the previous Levels. Learning basic sewing skills in Level 1 and progressing to tailoring in Level 7. ALL sewing skills are covered

Our program includes learning about all different types of fabrics and the many special features about each kind.

We also build alteration skills. Level 2 starts with simple basic hip alterations and each subsequent Level builds on these alteration skills. A perfect fit is a must!

All Levels are also available in DVD format

The "YOU CAN MAKE IT-LEARN TO SEW " program is a wonderful way to learn to sew.

I love to teach it. As you can see it has 7 levels.

You can start at #1 and go all the way through or you can take just one level or you can start at any level and finish where you started.
